TASTE THAT TRANSCENDS<sup>™</sup>

## COLD BREW COFFEE

Our cold brew coffee products are made with a premium blend of 100% Arabica Cold Brew coffee extract, real dairy, and no preservatives. They're bold and refreshing, with a smoother, less acidic flavor than traditionally brewed coffees. We hope to make the coffee experience more enjoyable, accessible, sustainable and safe for your customers at home, work & play.

## FLAVORS

### Cold Brew

Rich, bold and refreshing

### Cold Brew Latte

Creamy and bold with a perfectly balanced sweetness

### Cold Brew Mocha Latte

Decadent chocolate with creamy and sweet notes

### Cold Brew French Vanilla Latte

Creamy, sweet and smooth - a classic french vanilla

### Cold Brew Vanilla Mocha Latte

A blend of vanilla and mocha flavors

### Cold Brew Horchata Latte

Hispanic-style blend of spiced cinnamon, a hint of mocha, and Grade A milk

### Cold Brew Salted Caramel Latte

Smooth and buttery caramel flavor delightfully finished with sea salt
